

Amity School of Engineering & Technology

Weekly Progress Report

For the week Commencing: 19st May to 25th May

WPR Number: 1

Name of the Student: Rohit Raj

Enrollment Number: A7605212092

Program: B Tech-CSE

Name of NTCC: Java

Organization Name: Tata CMC

External Guide Name: Mr. Mohsin Anshari

Faculty Guide Name: Mr. Puneet Sharma

Project Title: E-SMART SOLUTION

Target of the Week	Achievements for the Last week	Future Work Plans
1.JAVA &History of Java 2 Introduction to OOPs.Features of Java		1.Introduction to Java SE . 2.App designing with the help of HTML & JSP.

Signature of the Student: _____

Name of the Student : Rohit Raj

Amity School of Engineering & Technology

Weekly Progress Report

For the week Commencing: 26th may to 1st June

WPR Number:2

Name of the Student: Rohit Raj

Enrollment Number: A7605212092

Program:B Tech-CSE

Name of NTCC: Java

Organization Name: Tata CMC

External Guide Name: Mr. Mohsin Anshari

Faculty Guide Name: Mr.Puneet Sharma

Project Title: E-SMART SOLUTION

Target of the Week	Achievements for the Last week	Future Work Plans
1.Introduction Netbeans IDE & creating various programs. 2.MultiThreading & Exception handling	1.Introduction of Java & OOPs Concept . 2 Use of Netbeans IDE to Create applications.. .	1.Writing program in Java. 2.Connecting database page With Java page(JDBC).

Signature of the Student: _____

Name of the Student : Rohit Raj

Amity School of Engineering & Technology

Weekly Progress Report

For the week Commencing: 2nd June to 8th June

WPR Number:3

Name of the Student: Rohit Raj

Enrollment Number: A7605212092

Program: B Tech-CSE

Name of NTCC: Java

Organization Name: Tata CMC

External Guide Name: Mr. Mohsin Anshari

Faculty Guide Name: Mr.Puneet Sharma

Project Title: E-SMART SOLUTION

Target of the Week	Achievements for the Last week	Future Work Plans
1. JDBC 2.GUI Designing Using HTML & Connecting with database With Java Class.	1.Introduction to Java and OOPs. 2.Multithreading & Exception Handling .	1.Creating web Applications using HTML & Servlets. 2.Introduction to Servlets. 3Types & life Cycle of servlets.

Signature of the Student: _____

Name of the Student : Rohit Raj

Amity School of Engineering & Technology

Weekly Progress Report

For the week Commencing: 9th June to 15th June **WPR Number:**4

Name of the Student: Rohit Raj

Enrollment Number: A7605212092

Program:B Tech-CSE

Name of NTCC: Java

Organization Name: Tata CMC

External Guide Name: Mr. Mohsin Anshari

Faculty Guide Name: Mr.Puneet Sharma

Project Title: E-SMART SOLUTION

Target of the Week	Achievements for the Last week	Future Work Plans
1. Creating Applications using servlets &HTML. 2.Intoduction to JSP. 3 Life Cycle of JSP & implicit objects.	1. JDBC. 2. GUI Designing Using HTML & Connecting with database With Java Class.	1. Working with JSP and Servlets. 2.GUI Design with JSP& Connecting with databse 3. Use of Java Beans.

Signature of the Student: _____

Name of the Student : Rohit Raj

Amity School of Engineering & Technology

Weekly Progress Report

For the week Commencing: 16th June to 22th June **WPR Number:**5

Name of the Student: Rohit Raj

Enrollment Number: A7605212092

Program:B Tech-CSE

Name of NTCC: Java

Organization Name: Tata CMC

External Guide Name: Mr. Mohsin Anshari

Faculty Guide Name: Mr.Puneet Sharma

Project Title: E-SMART SOLUTION

Target of the Week	Achievements for the Last week	Future Work Plans
1. . Working with JSP and Servlets. 2. GUI Design with JSP& Connecting with databse 3. . Use of Java Beans.	1. Creating Applications using servlets &HTML. 2. Intoduction to JSP. 3. Life Cycle of JSP&implicit objects.	1.GUI of E-smart Solution using JSP & CSS. 2.Creating different modules of projects& perform various actions using Servlets, JDBC & MYSQL. 3.Enhancing features to project like Software downloading for user.

Signature of the Student: _____

Name of the Student : Rohit Raj
